

be within the range of a fair, reasonable, and adequate compromise. Notice was then issued to the Settlement Class. The deadline for Class Members to object to, or opt out of, the Settlement passed on October 26, 2024. Out of 21,464 Class Members, not a single Class Member opted out and no Class Member objected. The reaction of the Class, therefore, confirms that the Court's preliminary determination was correct and that the Court should now grant final approval so that the Class Members can receive the benefits of the Settlement and this matter can be resolved.

Defendant does not oppose this motion.

Respectfully submitted,
