RECITALS

- A. WHEREAS, a class proceeding was certified by the BC Court on January 26, 2016 alleging that TELUS' billing practices in relation to incoming calls breached the *Business Practices and Consumer Protection Act*;
- B. WHEREAS, notice of certification in the BC Proceeding has not yet been disseminated;
- C. WHEREAS, TELUS filed an appeal of the certification decision in the BC Proceeding, in which facts were exchanged and a hearing date was scheduled, but adjourned generally pending approval of this Settlement;
- D. WHEREAS, Kathryn Deshane commenced the Alberta Proceeding against TELUS on or about February 18, 2005 as a proposed class proceeding pursuant to a Statement of Claim advancing claims alleging that TELUS' billing practices in relation to incoming calls constituted unfair acts and practices pursuant to the *Fair Trading Act*, RSA. 2000, c. F-2 and the *Unfair Trade Practices Act*, RSA. 1980, c. U.3. as well as false and misleading representations to the public pursuant to section 52 of the *Competition Act*, RSC 1985, c. C-34. The Statement of Claim was amended on May 24, 2006 on to add an allegation of breach of contract;
- E. WHEREAS, the Alberta Proceedings have not yet been certified;
- F. WHEREAS, despite its belief that the allegations advanced in the Proceedings are unfounded and that it has good and reasonable defences both to certification and on the merits, TELUS has agreed to enter into this Settlement Agreement in order to achieve final resolution of all claims asserted or which could have been asserted against it, individually or collectively, by

the Plaintiffs in the Proceedings, and to avoid further expense, inconvenience and the distraction of burdensome and protracted litigation;

G. WHEREAS, TELUS does not admit, through the execution of this Settlement Agreement or otherwise, any unlawful conduct, wrongdoing or blame of any kind, on its behalf or on behalf of its corporate successors or predecessors, either as alleged or at all;

H. WHEREAS, the Parties intend by this Settlement Agreement to resolve all past, present, and future claims of Class Members in any way arising out of or relating to the Proceedings;

I. WHEREAS, Class Counsel and TELUS, through counsel, have engaged in extensive, arm's-length negotiations, and attended a facilitated confidential mediation conducted with an experienced mediator, that have resulted in this Settlement Agreement;

J. WHEREAS, the Plaintiffs and Class Counsel have reviewed and fully understand the terms of this Settlement Agreement and, based on their analyses of the facts and law applicable to the Plaintiffs' claims, and having regard to the burden and expense in prosecuting the Proceedings, including the risks and uncertainties associated with trials and appeals, the Plaintiffs and Class Counsel have concluded that this Settlement Agreement is fair, reasonable, and in the best interests of the Plaintiffs and the Class Members;

K. WHEREAS, the Parties therefore wish to, and hereby do, fully and finally resolve the Proceedings against TELUS without admission of liability;

L. WHEREAS, TELUS expressly reserves its rights to contest certification of any other related or unrelated proceedings and its rights to defend on the merits any other related or unrelated proceedings.

NOW, THEREFORE, in consideration of the covenants, agreements, and releases set forth herein and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, it is agreed by the undersigned on behalf of the Plaintiffs, Class Members and TELUS that all claims of Class Members shall be settled and that, on the Effective Date, Class Counsel shall file a Consent Dismissal Order without costs in each of the Proceedings dismissing all claims against TELUS with like effect as if after a trial upon the merits subject to the Court
